Question of where bi-laws are located. Dan Pollock will find them.

We need articles from everybody for Kuskita, need to plan dates for mailing, should have list of everything people need to know (dates and prices). There was an idea of an electronic Kuskita.

We need specific format for online files that everybody can use.

Motion: Patrick Wilver 2nd: Shawn Schaffer, there should be a note in the next Kuskita whether or not people would like to receive an electronic copy of the Kuskita instead of a paper one. They can reply by e-mail.

Amendments: instead of e-mailing whole think, just send link.
Put link in every Kuskita.
